

2026 CBHI Super Stakes Stallion Auction

This agreement is made between the nominated Stallion owner and the CBHI for the purposes of fundraising to promote the breeding and barrel racing of horses in Canada. All the proceeds will go towards the CBHI Super Stakes. This contract is good for 2 years. The stallion named here must be of breeding age and soundness (healthy enough for breeding). You cannot charge the winning bidder any additional fees that are not listed below. (Excluding unexpected vet fees) Live foal guarantee is as per each individual stallion's breeding contract. ***Your farm/chute/booking fee(s) total cannot be higher than the starting bid. The board of directors has the right to review and/or refuse any fees or stipulations outside the CURRENT industry standards.** Owners of stallions standing in the super stakes auction that if their stallion(s) fee does not sell in the auction then they must buy it back at either half the advertised fee (starting bid) or the average, whichever is higher, they also must buy their farm picks. If you do not do one or both they will be removed from the SS and put on the waiting list. (by date of the end of the auction). If shipping frozen, you must send a FULL breeding dose.
