# CBHI

## Canadian Barrel Horse Incentive

The CBHI would like to express it's appreciation to all the stallion owners for their participation and support of the Canadian Barrel Horse Incentive. In 2004 Sharon Fergusson and Alison Low were looking for a program to advertise and promote their breeding program because, although the USA had incentive programs, there didn't seem to be anything specific to the barrel racing industry here in Canada. After a lot of research and many hours of consultation and meetings around our kitchen table, the CBHI became a reality.

Some of the original thirteen members that have supported this association through its growing pains were Irene Batchelor, Keri Schweer, Dee Butterfield, Marla Grad, Alison Low, Shelly Hawthorne, Sharon Fergusson and Rendal & Marti Bishop.

Today we have **over 100** stallions/mares and have our own website, we co-sanction events in B.C., Saskatchewan, Manitoba and Alberta, and we host our own Futurity/Derby & Open Barrel Race along with a horse sale. In addition, we have created a Super Stakes venue to further promote the offspring of the sponsored stallions. New members provide new ideas and we are constantly trying to address any new suggestions for the benefit of all. Ralph & Kelly Danard have supported the CBHI, picked us up when we were down and Kelly has worked tirelessly on the Stallion Auction. We would also like to thank the many behind the scenes, too numerous to name, and want you to know your support and help is appreciated so much. We want the stallion owners to know that this is your incentive - thank you for your support - we would be nothing without you.

**Sharon**

**2010 AQHA BAY GELDING**  
Unfortunately an outbreak of Strangles has occurred on our farm. There is a good possibility that the horses we have consigned to this sale would be clear of the virus before the sale time – but we cannot be 100% sure. And in consideration of all other breeders and horse owners we felt that it would be best to keep the animals at home until such time as we are 100% sure that they are clear. We are working closely with Dr. Mike Ross and the Dawson Creek Vet Clinic, and once our horses have been declared free of the virus, we will then look at moving horses off the farm. We are offering these horses for sale in the auction, with a no charge delivery to the purchaser. And if at the time the horse is delivered, and the horse does not meet the expectations of the purchaser, a full refund will be offered. Please come by our stalls in the Barns, as we have brochures with many pictures, and write ups on these horses. We also have a DVD show casing the CBHI Super Stakes Prospects that we have consigned to this sale.

2011 AQHA BAY STALLION  
'Kaos' has a superb barrel racing pedigree. His sire, Zumo Dat Cash, has sired many quality barrel horses including the 2009 CFR Champion Dat Blue Moon (Vader). This colt's dam is a race winner, SI86 & has her racing ROM. She is also a maternal half sister to the 2008 Canadian Racing Champion Aged Gelding – Eyesa Warrior. His dam's sire, Royal Shake Em was in the top 12 sires of barrel horses in 2010 & has also sired race horse earnings of \$8.8 million. Here is a big, solid and brave colt. He craves attention and is quite an inquisitive sparkplug. Siblings to this colt have been easy going and easy to train. This boy seems to be much the same way.

## NOTES

## CBHI SUPER STAKES

**\* This is strictly Bonus \$'s paid to Futurity horses only - over and above the regular payout and usual CBHI money awarded.\***

Eligible horses must meet one of the following criteria:

- ❖ Weanlings and Yearlings sold through the sale
- ❖ Resulting foal from a stallion service purchased through the stallion auction (dam must be on file)
- ❖ Weanling or Yearling from the stallion owner's selected "berth". Each stallion owner gets one of these per stallion that they let stand in the auction.

The "Pot" is raised from the stallion auction.

Payout of the Super Stakes \$'s will be awarded to the fast time(s) overall out of a combination of the 1<sup>st</sup> and 2<sup>nd</sup> go of the Futurity. Winning horses do not have to have placed in the go-rounds.

This is just approximate based on \$50,000.00 raised:

- ❖ Eligible Horses = 1<sup>st</sup> \$22,500.00, 2<sup>nd</sup> \$7500.00, 3<sup>rd</sup> \$4500.00, 4<sup>th</sup> \$3000.00
- ❖ Stallion Owner = 1<sup>st</sup> \$7500.00, 2<sup>nd</sup> \$2500.00, 3<sup>rd</sup> \$1500.00, 4<sup>th</sup> \$1000.00
- ❖ {60% to 1<sup>st</sup>, the remaining 40% is divided up 50%, 30%, 20%}

Actual Payouts for the Super Stakes will be listed on the website.

Super Stakes incentive horses may only go through the sale one 1 time as a weanling or yearling. Horses who have obtained a certificate from the stallion owner's berth or through the stallion auction may not be entered in the sale.

Super Stakes Certificates are the property of the Canadian Barrel Horse Incentive program and are issued to the horse under their registered name. They remain with that horse in the event that the horse is sold. In the case of the death of the horse, the certificate will be returned to the office so it can be marked as deceased.
